Phone: 641-333-2228
Fax 641-333-4376

Fee: _____

Fence and Deck Building Permit

Permit is required for the construction or any reconstruction that alters the fence or deck as it previously existed.
No permit needed if replacing existing fence or deck in exact location.

Fence: \$.10 per linear foot (max \$25)
Deck: \$.05 per square foot in dimensions

Date: _____

Property Owner Name: _____

Property Address: _____

Contact Phone Number: _____

Linear Feet of Fence to be constructed: _____

Square feet of Deck: _____

Proposed Plan of Work (Attach additional sheets if necessary). Plan of work MUST include location, height and type of material being used

Construction Requirements Reminder:

- Fences can be built up to the property line in any zoning district. The City of Lenox advises that you contact your neighbor to ensure you agree where the property line is located
- Fences cannot exceed eight (8) feet in height in side or rear yards
- Fences cannot exceed four (4) feet in height in front yards
- No electrical or barbed wire fence is permitted without prior approval from City Council
- The frame of a fence, including posts and supports, must be placed on the inside of the fence

To review a complete list of requirements, please refer to the City of Lenox Code of Ordinance Chapter 155 "Fences or Walls".
