Kitzman discussed Premise Transfer for DMT Golf, LLC Class C Alcohol License with Outdoor Service to 303 West Dallas. The clubhouse will be closing October 1 and DMT Golf, LLC would like to move their liquor license to the Twisted Stalk, as their license is valid until March 2025. Hodges made a motion to approve the transfer, seconded by Tull, all ayes, motion carried.

Cruz made a motion to approve Temporary Credit Card Limit Increase for Neighborhood Center from \$1,200 to \$3,000 until December 20, 2024, seconded by Hodges, all ayes, motion carried.

A discussion was held on the Metal Drop Off Area. Kitzman stated that it is being used for general garbage and other items that are not permitted. There is signage at the site explaining what it's intended for. This is a free service to the community; however, it is being abused and takes a lot of time from Public Works to get rid of the items that are not allowed there. The council discussed options of putting up a different type of camera or closing it down and not offering the service. Kitzman stated that Illegal Dumping would require the Sheriff's Dept to write tickets. Mayor suggested signage in English and Spanish, while Hodges suggested to close it down and residents would be required to figure out their own way to get rid of appliances and tv's. The council is not confident that we could get tickets to be written and it was decided to table this for the next meeting.

Tull motioned to adjourn the meeting, Cruz seconded, all ayes, motion carried. Meeting adjourned at 6:00 PM.
